Director is called: Bid out of turn --- what happens? see on back

ITS ALL IN THE GAME

Once in a while you will go down But it's all in the game. Partner gives you a frown, And does exactly the same. But you both raise a smile, When you win by a mile, And agree that it's all in the game

Coffs Harbour Bridge Club Newsletter May 2025

On February 16th a group of club members went to Port Macquarie Hastings Bridge Club to attend a Club Level Bridge Directors Course. One thing is that all bridge players should be aware of the many, many regulations that are implemented within our great game. Consequently, each month I will be including one of the many actions that may occur when a mistake is made and the <u>Director is Called</u>. Get to know these options as YOU might have to select one. Here are the options for A Bid Out of Turn:-

Bid Out of Rotation

Note: Whenever there has been a bid out of turn, the first option is for the Left-Hand Opponent (LHO) to accept the call and the bidding continues in rotation.

A. RHO's Turn to Call -

When the offender has called at his RHO's turn to call, then:

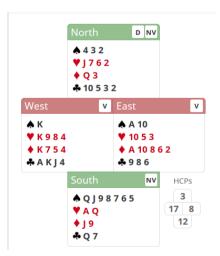

- 1. If that opponent passes, offender must repeat the call out of rotation
- 2. If that opponent makes a legal bid, double or redouble, offender may make any legal call:
 - i. When the call is a "comparable" call there is no further rectification.
 - ii. When the call is not a comparable call offender's partner must PASS when <u>next</u> it is his turn to call.

B. Partner's or LHO's Turn to Call -

When the offender has bid at his partner's turn to call, or at his LHO's turn to call if the offender has not previously called, then:

- 1. Offender's partner may make any legal call at his proper turn,
- Offender may make any legal call at his correct turn and the Director rules as in A2(i) or A2(ii) above.

As WEST you open 1D (out of turn & not accepted by North)...

- 1. If South was the dealer and South passes, you must repeat

 1D and the auction continues normally.
- 2. In all other situations:
 - a) You may make a comparable BID and the auction continues normally.
 - For example, South bids 1S (or 2S) then 2D (or 3D) would be considered "comparable" calls.
- 3. If you do not make a "comparable" call, partner must PASS at their <u>next</u> turn to call.
